Williamson County  
Contract Number: WI056  
Item 02A, April 24, 2015 Letting  
**Addendum B**

## NOTICE TO PROSPECTIVE BIDDERS

Attached is an Addendum to the Construction Plans only. This Addendum involves revised and/or added material.

Reason for Addendum: To Establish a Specialty Pay Item Group

REPLACE the Construction Plan Cover Sheet with the **Revised** Cover Sheet (Revision Date 4/17/2015) which includes newly established Specialty pay items.

The reason for this addendum is to move Electrical Pay Items into the Specialty Item Group in order for non-electrical contractors to obtain at least 51% of the work and bid this project as the prime contractor.

For Prequalification Purposes, all electrical pay items in the Summary of Quantities have been moved into a Specialty Item Group. No other changes have been made to the plans, plan quantities, or special provisions. Contractors who do not possess an electrical work rating, and are IDOT prequalified for at least 51% of the non-electrical work items, may now request "For Bid" plans.

Prime contractors must utilize the enclosed material when preparing their bid and must include any Schedule of Prices changes in their bidding Proposal.

Bidders using computer-generated bids are cautioned to reflect any and all Schedule of Prices changes, if involved, into their computer programs.
