

GENERAL NOTES

The Contractor shall use care in removing or excavating near all existing items which will remain. Any damage done to existing items by the Contractor shall be repaired at the Contractor's expense.

Removal of the existing Pipe Underdrain shall be included in the cost of Earth Excavation.

CADD data will be available to Contractors and Consultants working on this project. This information will be provided upon request as MicroStation CADD files and Geopak coordinate geometry files ONLY. If data is required in other formats it will be your responsibility to make these conversions. If any discrepancy or inconsistency arises between the electronic data and the information on the hard copy, the information on the hard copy should be used. Contact the District's Project Engineer to request these files.
