

Plan view of the bridge deck showing lane widths and dimensions. The total width is 38'-0" RDWY. The layout includes two 8'-0" PARKING LANES and two 11'-0" travel lanes. The centerline is marked with a centerline marker (CL 4) and a stationing point (FAP 662). The deck is shown with a cross-section line (12-12) and a centerline (CL 4). Dimensions for lane widths and offsets are provided.
