## **CONTRACTOR COOPERATION**

Other separate contracts may be under construction during the duration of this Contract and within the limits of this Contract. Such contracts include, but are not limited to the following:

Contract 62M18 – Smart Overlay on Ballard Road from Rand Road to Greenwood Avenue

The Contractor will be governed by Article 105.08 of the Standard Specifications.

The Contractor will coordinate proposed project start dates and the sequence of construction with the Engineer and other Contractors to develop a practical schedule that aligns with the scheduled work of other contracts.

No additional compensation will be allowed for the above requirements, any delays, or any inconvenience resulting from the activities of other contractors.
