

TERMINAL LOCATION DETAIL
(NOT TO SCALE)

GENERAL NOTES

This standard shows attachment to curb mounted bridge rail. Attachment to side mounted bridge rail is similar.

See Standard 630001 for details of guardrail not shown.

Thrie beam rail shall be bolted to block-out at all posts.

All slope ratios are expressed as units of vertical displacement to units of horizontal displacement (V:H).

The Contractor shall verify all dimensions and modifications in the field prior to ordering materials.
