Phone J.U.L.I.E.

The owner would like to remind you that underground utility
facilities can be damaged by shovel blades or other digging
equipment. You can prevent damage or possible personal
danger by phoning 800/892-0123 at least 48 hours before
you dig. That's the toll-free number for J.U.L.I.E., which
stands for Joint Utility Location Information for Excavations.
If there are any pipes, cables, lines or mains in the excavation
area, utility personnel will be out to mark the facilities so you
