

Special Notice

New updated rules for submittal of DBE Utilization Plans

All Prime contractors please take note that DBE utilization plans are now being required to be submitted with the bid on all 100% state only funded construction contracts that contain a specified goal in the special provision titled DISADVANTAGED BUSINESS ENTERPRISE PARTICIPATION – NONFEDERAL-AID CONTRACTS (BDE). The new Special Provision will be posted on the November 6, 2009 letting page <http://www.dot.il.gov/desenv/110609/110609letg.html>. An addendum making this change will be made on each of the 100% State only funded contract that are listed below.
