

Designer Note: Either this special provision or the one titled "Date of Completion" should generally be used on all projects anticipated to take a full construction season or more to complete. Consult with your project engineer for use on your project. Select projects may also use incentive/disincentive clauses. Refer to BDE Manual Chapter 66-2.04, "Policy for Incentive and Disincentive Clauses". There are four subjects in this special and each subject requires additional data to be supplied.

DATE OF COMPLETION (PLUS WORKING DAYS)

Effective March 1, 1990 Revised August 3, 2018

The Contractor shall schedule his operations so as to complete all work, except as specified below, and open all the roadway to traffic on or before [REDACTED]. The Contractor shall note that this completion date is based on an expedited work schedule. The Contractor will be allowed [REDACTED] working days, after the [REDACTED] completion date, to complete punchlist and the following items: [REDACTED].
