

The State of Illinois welcomes you!

This road map will serve as your directional guide to our Land of Lincoln.

Fine highways will lead you across the length and breadth of Illinois, the Heart of America. Our roads have been well marked for your information and safety.

We ask only that you assist us by obeying our rules for safety. Courtesy, caution and common sense should be your guide.

It is nice having you with us. Drive carefully, enjoy your trip and stay as long as possible.

IF YOU ARE INVOLVED IN A TRAFFIC ACCIDENT:
STOP IMMEDIATELY - RENDER ALL POSSIBLE AID TO THE INJURED.
GIVE YOUR NAME AND ADDRESS - SHOW YOUR DRIVER'S LICENSE.
DO NOT MOVE ANY VEHICLES INVOLVED - CALL POLICE.

Do not obstruct traffic more than is necessary. If you strike an unattended vehicle, leave a note giving your name, address, and registration number.

If you damage a highway fixture or other property, notify the owner, giving your name and address and automobile license number. Report the accident to Illinois Division of Highways, Springfield, as soon as possible — if one person's property was damaged more than \$100, or someone was injured or killed.

In addition to any reports required by local police or insurance companies, you must file a report with the State Highway Police. You will be given a certain official accident report form from State Highway Police, local police, highway district office, or insurance agent. Your State report will be held confidential and may not be used as evidence in any lawsuit.
