IF YOU ARE INVOLVED IN A TRAFFIC ACCIDENT:

STOP IMMEDIATELY – RENDER ALL POSSIBLE AID TO THE INJURED
GIVE YOUR NAME AND ADDRESS – SHOW YOUR DRIVERS LICENSE
NOTIFY THE NEAREST POLICE AUTHORITY
FILL OUT ACCIDENT REPORT FORMS

Do not obstruct traffic more than is necessary. If you strike an unattended vehicle, leave a note giving your name, address, and registration number.

If you damage a highway fixture or other property, notify the owner, giving your name and address and automobile license number. Report the accident to the Illinois Department of Transportation, Springfield, as soon as possible – if one person's property was damaged more than $100, or someone was injured or killed. Do this in addition to any reports required by local police or insurance companies. You must report even though no other vehicle than your own was involved. Obtain official accident report forms from State Highway Police, local police, transportation office or insurance agent. Your State report will be held confidential, and may not be used as evidence in any lawsuit.

MILEAGE DISTANCE CHART

To find the distance between two towns, trace down the vertical column of one town, to its intersection with the column of the other town. The figure represents the approximate mileage between the two towns.
