NEW RESIDENTS – Driving in Illinois

Upon moving to Illinois, you must obtain an Illinois driver's license within 90 days. Vehicle registrations must be transferred within 30 days.

New residents may obtain Illinois driver's licenses and license plates from the Office of the Secretary of State. Driver's licenses are issued at 131 full and part-time driver services facilities throughout the state. For information on licensing requirements, please pick up a free copy of the **ILLINOIS RULES OF THE ROAD**. Drivers may also apply for license plates at local driver services facilities, except those in Cook County, where service is available at the Chicago West, Charles Chew, Chicago North, and Chicago Central facilities.

In addition, facilities offer many expanded services, including driver abstract sales, infant seat loaner program, and voter registration. To learn the location of the nearest driver services facility and its operating hours or to obtain a copy of the **ILLINOIS RULES OF THE ROAD**, call toll-free **(800) 252-8980**.

IMPORTANT: All motor vehicles registered and operated in Illinois must be covered by **LIABILITY INSURANCE**.
